

Servant King Times

Summer 2023

We've been busy!

Hello friends! A lot has changed around here in a short period of time. We celebrated a wedding in March, and saw friends off to start a new project in April. Founding members Barb and Scott have teamed up with Jack and Cassidie to begin a new church work with other friends, Arlen and Lindley. The new church plant is in the Pacific Northwest, in Milwaukie, Oregon. Send up lots of prayers for them, as they pursue the kingdom life there.

Summer is upon us and we have had wonderful celebrations for Easter and Pentecost (shown above), two of the most important days in the life of the Church universal! Happy birthday to us! We just finished our annual Celebration of the Faithful, where cameo presenters introduced us to Cameron Townsend, Maria Franziska Von Trapp, Sophie Scholl and the White Rose, Adoriram Judson, and many more.

We took a trip down to Tijuana to work on the children's homes administered by our good friend, Ramon. This trip was not a building trip, but we hope to build two houses on our fall excursion!

Up and coming after a little summer break is Celebration of the Children, where we will take our four little girls to a magical enchanted forest, complete with fairies, trolls, and gnomes! (But don't ruin the surprise for them!) We knew we had to take advantage of possibly the only year having just little ladies.

We invite and request your support in the following areas: raising funds for partners in Burma who were recently affected by a major cyclone; our fall mission trip to build two houses in Tijuana (our goal is \$10,000 for this build); and our ongoing giving for a ministry in Liberia.

Please be in prayer for:

- Lyndsie's health
- The new church plant in the Northwest
- Our outreach to our neighbors
- Abif's path to getting a visa
- Our brothers and sisters in Myanmar
- Our bible studies

Get Involved

Please consider giving a one-time or recurring gift to the Church of the Servant King. This year we built a house and renovated a children's home in Tijuana, Mexico, bought a generator for a congregation in Myanmar, sent bags of food to Liberia, and took care of local brothers and sisters in their individual needs.

If you would like to join us for a service trip, please call or email for more information.
